*Eastbound pickup only

Flint Hills aTa buses will stop at designated bus stops only if passengers are waiting at the stops. It is recommended that you arrive at the bus stop 10 minutes early to ensure you do not miss the bus. Buses will not come back for you. Times vary due to traffic. Pull the *Stop Cord* one block before you want to de-board.

- For every \$1 invested in public transportation that generates \$4 in economic returns.
- Studies have shown that the ability to travel in an area convenient-ly, without a car, is an important component of a community's livability. Public transportation provides opportunity, access, choice and freedom all of which contribute to an improved quality of life.
